

Paying for a College/University Education Costs and Financial Aid

How much do you think that a university education costs in the state of Arizona? Complete the following table with your best estimate of the costs of attending one year at the University of Arizona.

Estimated costs of attendance for the University of Arizona

Type of Cost	Total dollar amount (your estimate)	Actual dollar amount 2015-2016
Tuition	\$	
Books	\$	
Room and Board (housing)	\$	
Transportation	\$	
Miscellaneous	\$	
Total	\$	

It may be that the cost of education at the University of Arizona is greater or less than your estimate. In either case, it's always possible to reduce these costs. For example:

How could your family reduce the cost of room and board?

The cost of books assumes buying new books. How could your family reduce the cost of books?

The cost of transportation mostly refers to students who have a car. How can your family reduce the cost of transportation?

What type of costs do you think are included in miscellaneous and how could you minimize those costs?
